Meaning of the Name and Logo of the Cabinet:

The meaning of the name is wanting to bring the students together to **UTOPIA**

The logo captures our goals and virtues as we want to show our commitments with not just words but actions!

The boat symbolizes how we want to bring our students on a voyage to traverse through the school year together! In this adrenaline-filled voyage, we hope to bring everyone along to find utopia in the seas of our own life through socializing and overcoming divisions!

The Waves symbolizes the 7 virtues we value, called the 7Cs: Commitment, Courage, Compassion, Communication, Connection, Consideration and Cultivation.

Our motto: “Your vision, Your campus, Your **UTOPIA**”

這個名稱的寓意是希望將學生凝聚在一起，共同邁向「烏托邦」

標誌體現了我們的目標與美德，因為我們希望不僅以言語，更以實際行動展現我們的承諾！

船隻象徵著我們希望帶領學生踏上一段旅程，共同穿越整個學年！在這趟充滿腎上腺素的航程中，我們希望帶領大家透過社交互動與消弭隔閡，在各自生命之海中尋覓烏托邦！

波浪象徵著我們所珍視的七大美德，即「7C」：承諾（Commitment）、勇氣（Courage）、同理心（Compassion）、溝通（Communication）、連結（Connection）、體諒（Consideration）與修養（Cultivation）。

我們的座右銘：「你的願景，你的校園，你的烏托邦」

Purpose for Standing for Election:

After the start of our HPSHCC life, we’ve seen how close the connection between the teachers, SU, and students were.

We understand how close-knit our community is in HPSHCC. However, there are also many who have struggles with breaking the ice between each other due to different circumstances. We acknowledge the hardship of maintaining a good study and life balance, even work-life balance for the staff too!

Our team sympathizes with the struggles many face, and we aim to not just provide quality events throughout the school year but also give encouragement to students as we traverse through this academic year together!

So, we started establishing a group of compassionate visionaries. We strive to provide quality experiences for students beyond just building bonds by creating a space for students to feel a true sense of belonging and dial down from the immense stress of life.

Moreover, we are committed to making sure students feel heard and supported, as we are all in the same boat! No matter what the outcome, we want to be a part of those who gave us a wonderful start to our HPSHCC journey. Students and staff of HPSHCC, **UTOPIA** is ready to open our deck and set sail for everyone!

踏入 HPSHCC 的校園生活後，我們深深體會到校園的凝聚力——老師、學生會與同學們之間的聯繫是如此緊密。

然而，我們也注意到不少同學由於種種原因，在打破人際僵局、融入圈子時仍會感到困惑。我們非常理解大家在平衡學業與生活時面臨的挑戰，也懂得教職員工工作與生活的不易。

我們的團隊對大家的處境感同身受。我們不僅希望在這一學年裏舉辦優質的活動，更希望能為大家帶來一絲清爽與活力，攜手度過這段學術旅程！

為此，我們聚集了一群兼具情懷與行動力的夥伴。除了幫助大家建立情誼，我們更希望創造一個能夠舒緩巨大生活壓力、帶來真正歸屬感的空間，打造超越期待的校園體驗。

同時，我們希望聽見每位同學的，因為我們風雨同舟，並肩同行！無論結果如何，我們都心懷感激，渴望回饋那些為我們開啟美好 HPSHCC 旅程的校友與同學們。

HPSHCC 的師生們，UTOPIA 已經準備好揚帆起航，在新學年開啟全新的篇章！

We will start by building your courage to move, then we will help you to plan a map for you to explore, and finally we will help you to start your journey. We UTOPIA prepared a lot of plans for you!

First, we have many recreational activities to bond the connection between students, including O-camp, Talent show, Christmas workshop etc. We hope these events can allow students to keep in touch with each other and keeping memories, showcase their own ideas and skills, discovering their true self!

Moreover, we are planning to give the best possible enjoyment to students. Before the exams, we will prepare some relaxing events for students, we may even have animals to play with us!

Most important but certainly not least, we strive to create a safe space in the SU room with multiple services for students in need, we hope to not only let students dial down with free refreshments but also provide free essentials and services for students and have a better overall campus experience!

我們將從培養你踏出第一步的勇氣開始，接著協助你規劃探索之路的藍圖，最後幫助你展開這段旅程。我們 UTOPIA 為你準備了許多精彩計畫！

首先，我們安排了許多休閒活動來增進學生之間的聯繫，包括迎新營、才藝表演、聖誕舞會等。我們希望這些活動能讓學生保持聯繫、展現自己的想法與才華，並發掘真正的自我！
